## **TOPICS OF DISCUSSION**

**Issues involving LPG Gas Piping from Tanks to Structures**  
Mr. Russ Owen

**Enforcement of Electric Space Heaters/Clarification of 54-5002 Exceptions**  
Mr. Russ Owen  
We need to show that **EXCEPTION #4 does not** mean State of Idaho licensed Journeyman. A lot of people from school districts and hospitals etc, would need one.

**Contractor's License**  
The question is whether or not someone who holds a Contractor's license also needs to be a Journeyman if they are working in the field.

**Boilers Clarification/Industrial Safety**

**Financial Report (February and March)**

**Old Business**

---

**Other Business**

---

**New Business for Next Meeting**

---

**Executive Session (if needed)**
